

Fraternity Men That Are Olympic Medalists

Listed by fraternity affiliation are all known Greek medal-winning athletes from past summer and winter Olympiads, including 2008 in Beijing, China. Our list includes only athletes from groups who are NIC members. We know there are many other fraternity alumni that should be on the list, so please contact nic@nicindy.org. Updates will continue from time to time as new names are uncovered.

Legend: GM=Gold Medal; SM=Silver Medal; BM=Bronze Medal
