March 12, 2020

To All NAK Brothers,

In light of the changing environment, it seems like hourly news reports on new cases surrounding COVID-19 (coronavirus) in many of our communities, we have a responsibility to each other to take precautionary measures in trying to keep ourselves and loved ones safe. Many of our campuses, local community governments, work environments, including entertainment events, NCAA tournaments and professional sports leagues have made decisions to postpone, suspend or cancel events and gatherings in abundance of precaution. Our hearts go out to anyone who've been impacted by this situation.

The National Headquarters of Nu Alpha Kappa Fraternity, Inc. has declared, effective immediately, in precaution and safety for our members, undergraduate and alumni, the operations listed below shall be ceased immediately:

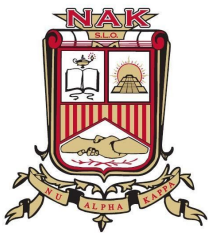

- All Pillar Activities (academic, brotherhood, and community)
- All fundraising events
- All group functions or social events
- All chapter meetings or events
- All intake programs

This list is not all inclusive, while we want to reduce the potential spread or contact of the virus, we understand and expect you all to support one another, in smaller groups but using standard precautions set forth by universities. All chapters should attempt to limit social contact and have plans for safety.

We will continue to work with chapters, who may have preset deadlines and grant extensions should they be deemed necessary. New approvals for events and intake classes will not be granted at this time. We will hold a special conference call meeting this weekend with the Council of Presidents, to answer any questions.

Due to the uncertainty, we must postpone July's NAKFest Summit Weekend in Las Vegas until further notice. This includes the National Leadership Development Conference (NLDC).

We will now strategize to develop interactive webinars to meet our compliance needs for the Fall 2020 academic term, as an alternative option. We will need the feedback and assistance of our brotherhood, both alumni and undergrads, to help us with this development of a virtual and interactive NLDC. We are still working on the details and requirements for this option, as this is a work in progress.

We understand this may be a very confusing and chaotic time, we suggest you follow all recommended instructions given by your respective campus administrators and local government officials. The Centers for Disease Control and Prevention ([CDC FAQ](https://www.cdc.gov)) is a good resource for guidance as well.

Please if you have any questions, feel free to contact us by email ([neb@nakinc.org](mailto:neb@nakinc.org)) or reach out to us through our various social media platforms.

Gentlemen, please stay safe and take care of yourselves.

Fraternally,

The National Executive Board of Nu Alpha Kappa Fraternity, Inc.
