

Resource Directory.

For the IFC scholarship officer

This directory and how it can be used should be incorporated into the scholarship chair orientation program at the beginning of the year. Think about including:

- A directory of whom to contact
- Where the office is located
- Office phone numbers/emails
- A description of the services offered

The directory could either summarize the relevant campus information or be a compilation of information already printed by each office and made available to the IFC for distribution.

Campus resources suggested for the directory include the following:

- Career Planning and Placement Office
- Testing Office
- Counseling Services
- Library
- Learning Assistance offices
- Academic advisors
- Tutors, peer advisors, writing centers, math labs
- Faculty advisors
- Academic deans (for withdrawals, grade changes or grievances)

Advancing fraternity.

The mission of an Interfraternity Council (IFC) is to foster a healthy and vibrant fraternity community on campus and provide interfraternal leadership and positive change. nicfraternity.org/ifcsop
