

Are you thinking about registering to attend PRIME, or have you already registered?

Here's what you can expect:

With PRIME, our goal is to help cultivate the capacity for IFCs to take responsibility for addressing issues in their community. PRIME is where IFC Presidents will learn about:

- Metrics that define **high performance** in Interfraternity Councils;
- The role and **priorities** of an IFC in leading fraternity communities;
- The skills they need to **build relationships** of trust and confidence, establish **strong operational systems** and chapter services, manage other IFC leaders, and engage the fraternity community in **addressing difficult issues**; and,
- Cultivating relationships, goodwill and affinity to the NIC as a **source of support**.
