NIC Overview

- North American Interfraternity Conference (NIC)
- Serves as a trade association for 50+ men's inter/national fraternities with over 6,000 chapters on 600 campuses
- Member fraternities = NIC
- Focused on supporting the fraternity experience

Our IFC Philosophy

- Role: advocacy, marketing, collaboration, education and accountability
- Not an activities board
- Build relationships of trust and confidence
- Create value in the IFC through operational systems and chapter services
- Engage the fraternity community in showing up to address difficult issues
- Align with IFC Standard Operating Procedures

Research

*Research proves that fraternities foster **positive mental health**, serve as a **success accelerator** for students, and engender tremendous **loyalty and connection** among alumni to support their alma mater.*

Public Relations and Recruitment

- **PR** Develop year-round strategic communication plan that shares good news, connected to action items or events
- **Recruitment** Answer "WIIFM?" before asking them to join
 - Ex: Quote/image > link to event or recruitment registration

Fraternalities are an

Health and Safety Guidelines

- We care about our members and guests

- [Enhanced health and safety standards](#)
 - Policy prohibiting alcohol above 15% ABV
 - Cap the # of events each fraternity can have with alcohol
 - Guest-to-member ratio of no more than 3:1 for events with alcohol
 - not to exceed X attendees (set campus standard) or fire code (whichever is lower)

Health and Safety Guidelines

- Reminder: As outlined in the IFC Judicial Code, hazing and sexual assault should be adjudicated through the university conduct processes — not by the IFC.
- Otherwise maintain an IFC Judicial Board and provide health and safety education and training for chapters each term.
- [IFC Insurance Program](#) coverage info and more resources from [Holmes Murphy](#).

- SOPs adopted in January 2019
